Said communication is in English, thereby satisfying the requirements for a concise explanation of relevance for any non-English language publications cited therein (MPEP 609 III A(3)).

**STATEMENT UNDER 37 CFR 1.97(e)(1)**

Each item of information contained in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the present Information Disclosure Statement. Said Communication bears a mailing date of June 20, 2003. Therefore, the filing of this Information Disclosure Statement is timely under the provisions of 37 CFR 1.97(e) and does not require a fee.

**STATEMENT UNDER 37 CFR 1.704(d)**

Each item of information contained in this Information Disclosure Statement was cited in said communication from a foreign patent office in a counterpart application, and this communication was not received by any individual designated in §1.56(c) more than thirty days prior to the filing of the present Information Disclosure Statement.

**NOT A RESPONSE TO OFFICE ACTION**

This paper is not a response to the outstanding Office Action dated May 12, 2003. A response to said Office Action will be timely filed in due course. This Information Disclosure Statement is being filed at this time in order to comply with 37 C.F.R. 1.97(e). That is, the present Information Disclosure

Statement is being filed within three-months of the mailing date of the European Search Report.

Since this paper is being filed with a proper Statement under CFR 1.97 (e), no USPTO processing fee is required for this Information Disclosure Statement.

It is respectfully requested that the Examiner consider the documents submitted herewith and return an initialed form PTO/SB/08A to confirm that the documents have been considered and made of record.

Respectfully submitted,

July 10, 2003
